Hi __ this is __. Did I catch you at a bad time? I have a quick question to ask you... I am in a challenge to get 50 women's opinions of our skin care this month. This is a huge challenge for me, and when I finish this, it will help me __ (your why) __. Now, I know we are all so busy these days, but I was wondering if you could be a bathroom model for me? I simply give you the products to use for 4 days in the comfort and convenience of your own bathroom. All I need is for you to pamper yourself for 4 days and fill out a brief survey - that's it! I really think you will be amazed at how great your skin will look and feel after just 4 days! So...is there any reason why you couldn't be my bathroom model this week? Great! I'll drop the bag to you with an instruction card of what to do. When would be a good time to drop it off, daytime or evening?

(Preprofile to know which skin care and formula to give her)

Picking Up the Bag:

So how was your bathroom model experience? Let me see your skin...oh my gosh! (notice the differences you see) How much difference do you see or feel? What was your favorite product? Did you have any questions for me? Was there anything that you fell in love with that you cannot do without? Well, for being my bathroom model, I would love to offer you a special discount! This set normally retails for \$__, but I can offer it to you today for just \$__. Would you like to take advantage of that special? (If no, offer her any products that she tried for 10% off) I'd also like to offer you a free item in the catalog (\$15 or less) if you can recommend a friend that would be a great bathroom model for me. Who do you know that I could pass a bag to? I can double your free gift if you choose to set up a makeover session with me so I can show you our color cosmetics. Would you like to set a time for me to show you how to apply color for your personal features?
