CHOOSE ONE OF THE FOLLOWING:

Deep-Cleansing Charcoal Mask: Triple action activated charcoal mask acts like a magnet to deep-clean & unclog pores, absorb excess oils & reduce shine.

Moisture Renewing Gel Mask: A super hydrating, age-fighting formula that nourishes & pampers skin while firming, smoothing & refining skin texture. The luxuriously rich gel glides on effortlessly, infusing skin with moisture as it increases resilience.

Revealing Radiance Facial Peel: By increasing the rate at which skin-dulling dead cells on multiple surface layers are eliminated, the power of glycolic acid enhances skin's own renewal process for rejuvenated look. Once the layers of dead surface cells have been removed, your skin will be primed & ready to accept the benefits of other age fighting treatments.

Salon Grade Microdermabrasion Plus: An affordable, at home solution for gentle exfoliation that can help combat some of the visible signs of aging. It dramatically improves your skin texture, immediately makes pores smaller & visibly improves the look of fine lines.

Platinum Hostess Only Special: A breakthrough pure, plant-based product derived from coconut water & interlocking fibers forming a three-dimensional "fabric" allowing the mask to be generously infused with a complex of beneficial ingredients, including oak kernel extract, orchid extract, and sodium hyaluronate, known for its skin conditioning benefits world wide. It's unique face-hugging fit keeps the skin in close contact with the complex during 20-30 minutes of pampering "me" time. It increases your moisture levels for 24 hours and leaves your skin visibly more radiant after the first use.
